

A PCA plot showing the relationship between Text Embeddings (blue dots) and Image Embeddings (orange dots). The x-axis is labeled 'PCA Component 1' and ranges from -1.00 to 1.00. The y-axis is labeled 'PCA Component 2' and ranges from -1.00 to 1.00. The plot shows a large, dense cluster of orange dots (Image Embeddings) centered around (0.0, 0.0). A smaller, more dispersed cluster of blue dots (Text Embeddings) is located to the left of the orange cluster, centered around (-0.25, 0.0). The two clusters are distinct but overlap significantly.
