

A PCA plot with 'PCA Component 1' on the x-axis and 'PCA Component 2' on the y-axis. The x-axis ranges from -1.00 to 1.00, and the y-axis ranges from -1.00 to 1.00. There are two data series: 'Text Embeddings' represented by blue dots and 'Image Embeddings' represented by orange dots. The Text Embeddings are clustered on the left side of the plot, centered around x = -0.4 and y = 0.0. The Image Embeddings are clustered on the right side of the plot, centered around x = 0.5 and y = 0.0. The two clusters are well-separated along the x-axis.
