

A PCA plot showing the relationship between Text Embeddings (blue dots) and Image Embeddings (orange dots). The x-axis is labeled 'PCA Component 1' and ranges from -1.00 to 1.00. The y-axis is labeled 'PCA Component 2' and ranges from -1.00 to 1.00. The Text Embeddings form a large, dense cloud of points centered around (0, 0). The Image Embeddings form a smaller, elongated cluster of points centered around (0, 0.25), overlapping with the Text Embeddings cloud.
